WORK EXPERIENCE

Frontend Developer
Duwitt

06/2022 - 01/2023   *Ogun State, Nigeria*
Aurbase

Achievements/Tasks

- Designed and developed a responsive and visually appealing user dashboard interface using ReactJs, enhancing user experience and engagement.
- Implemented dynamic data visualizations, such as interactive charts and graphs, using libraries like Chart.js, to provide real-time insights to users.
- Optimized dashboard performance by employing techniques like lazy loading, code splitting, and memoization, resulting in faster loading times and improved user satisfaction..
- Collaborated closely with back-end developers to ensure seamless data synchronization and accurate presentation of information.

### Frontend Developer
Freelancer

05/2021 - Present   *Lagos, Nigeria*
